

### ***Fidelity Stock Plan Services LLC Participant Agreement***

Fidelity Stock Plan Services LLC (collectively with its affiliates the "Administrator") performs recordkeeping and other services (the "Services") as agent of my employer company and its affiliates (the "Company") and of the Participant Trust related to stock-based compensation programs of the Company (collectively "Stock Plans"). This Agreement sets forth the terms and conditions governing my participation in the Participant Trust administered by the Administrator as agent to the Company and to the Participant Trust. I understand and acknowledge that Administrator acts as agent of the Company and of the Participant Trust in performing the Services, that Administrator's Services are provided to and for the benefit of the Company and of the Participant Trust, that Administrator's dealings with me are in Administrator's capacity as agent and Service provider to the Company and to the Participant Trust and not as agent, fiduciary, broker, or other financial services provider to me. I further understand and acknowledge that Administrator does not maintain an account for me, does not hold assets for me, does not effect transactions for me or on my behalf, and does not provide investment advice or recommendations to me.

In addition to the foregoing, I hereby request and direct that any Stock Plan Proceeds, as defined in the Declaration of Trust of the Participant Trust and incorporated herein by reference, that are payable to me under the Company Stock Plans be contributed on my behalf and at my direction to the Trustee of Participant Trust (the "Trustee") to be held on my personal behalf, together with any cash amounts related to my participation in Company Stock Plans that I transfer to the Trustee, in trust, in accordance with the terms of the Participant Trust. I agree that delivery of Stock Plan Proceeds by the Administrator to the Trustee shall be treated as delivery to me individually, and as a transfer by me individually to Participant Trust. I further acknowledge that I have read the Declaration of Trust of the Participant Trust, and agree to be bound by its terms.

By participating in the Company Stock Plan administered by the Administrator, I authorize the Administrator, the Trustee, the Company, and their agents (including National Financial Services LLC and Fidelity Brokerage Services LLC) to exchange information regarding me related to my participation in the Company's Stock Plan, including, without limitation, personal identifying information, compensation and other employment information related to my participation in the Company's Stock Plans, Stock Plan grant information, acceptance, enrollment and other modifications made with respect to my participation in the Company's Stock Plans, notice of exercise, purchase, number of shares, bank information relating to the Company's Stock Plans, information regarding subsequent sales, transfers or other dispositions of shares, and income tax information relating to compensation income and tax withholding in relation to these matters ("Personal Data"). I hereby consent to my employer, the Trustee and the Administrator using, processing, sharing and transferring such Personal Data as may be necessary or customary to furnish the Services to me, including making transfers of my Personal Data to countries, including but not limited to the United States, whose laws may not provide the same level of protection with respect to such Personal data as my country of residence. I understand that the Administrator will only use and share my Personal Data in connection with furnishing the Services.

I acknowledge that any rights I have with respect to the Company's Stock Plans were granted in connection with my employment or provision of services to the Company, and represent that at the time I take any action with respect to the Company's Stock Plans, I will be authorized to take such action, including without limitation acceptance, enrollment, exercise, purchase, modification, withdrawal or other action with respect to the Company's Stock Plans. I agree to hold the Company, the Trustee, the Administrator and their agents harmless for any loss that I may suffer as a result of their compliance with the authorizations set forth herein and any instructions given by me, and to indemnify them for any loss they may suffer as a result of following in good faith any instructions given by me. I also acknowledge and agree that any Stock Plan Proceeds and any cash amounts that are payable to me in connection with awards under the Company Stock Plans, that I direct to the Participant Trust remain subject to the terms and conditions of the applicable Company Stock Plan and award agreement, as well as any applicable policies or agreements I am subject to with the Company.

I have received from the Company all required information and documents relating to my participation in the Company's Stock Plans, including without limitation any required prospectus or other documents regarding any securities offered to me by the Company. I understand that participation in the Company's Stock Plans may have significant investment and tax consequences. I further understand that the Administrator, the Trustee, and their agents and employees are not authorized to give me tax or investment advice, and I have consulted such other sources I deem appropriate. I am aware that various laws or regulations may be applicable to my participation in the Company's Stock Plans and related transactions, and I shall conduct all transactions in conformity with all applicable laws and regulations. I understand the Company may impose additional requirements and policies on the Company's employees relating to transactions in stock of the Company, and I agree to comply with such additional requirements or policies. I agree to be liable for any losses Administrator or Trustee may incur in the event any document, instructions or information necessary to the transactions are not accurate or provided to Administrator or Trustee in a timely manner.

I [or another person I duly authorize to act on my behalf] shall be the only authorized user of the Services under this Agreement and shall only use the Services for my personal, noncommercial purposes. I agree not to re-disseminate any information obtained under this Agreement in any manner to third parties (other than my personal tax, financial or legal advisers) without the express written consent of the Administrator. I shall be responsible for the confidentiality and use of my password(s) and other security data, methods and devices. I understand that I shall be solely responsible for all communications electronically transmitted, or use of any data, information, or services obtained, using my passwords and other security data. I accept full responsibility for the monitoring of my information. I agree that the Administrator shall not be under a duty to inquire as to the authority or propriety of any instructions given to the Administrator by me or via my Personal Identification Number (PIN), and shall be entitled to act upon any such instructions; and the Administrator will not be liable for any loss, cost, expense or other liability arising out of any such instructions. I agree that the Services are the proprietary property of the Administrator and/or third parties from which the Administrator has obtained rights.

I agree to be liable for any and all fees, charges or expenses set forth in the Declaration of Trust that the Administrator may charge or I may incur in connection with the use of the Services by me or any other person through use of my security codes, equipment, or otherwise, if any. I understand that the rates, fees, billing and terms governing services provided by access device vendors or providers may be determined solely by such third party. I understand and acknowledge that the Administrator is not delivering telecommunication, Internet, paging services or any other means of electronic access and that I am responsible for maintaining appropriate contracts with third parties to obtain such services. I agree to obtain access to and be solely liable for all payments related to all equipment and access devices necessary to access the Services. I further understand that my ability to make use of the Services may be limited by technical or other limitations present in the equipment and access devices I use to access the Services. To the extent that any Services use Internet, wireless or related electronic or telephonic services to transport data or communications, the Administrator will take reasonable security precautions, but the Administrator disclaims any liability for interception of any such data or communications. The Administrator shall not be responsible for, and makes no warranties regarding, the access, speed or availability of such services. The contents of the Administrator's sites on the Internet are protected by applicable copyright laws. No permission is granted to copy, distribute, modify, post or frame any text, graphics, video, audio, software code, or user interface design or logos.

ALL INFORMATION AND CONTENT ON THE ADMINISTRATOR WEB SITES ARE SUBJECT TO APPLICABLE STATUTES AND REGULATIONS, FURNISHED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NONINFRINGEMENT.

In volatile markets, transmission of quotes and other information may be delayed, even for information which appears to be real time. Security prices can change dramatically during such delays. It may not be possible to cancel instructions previously submitted. Access to the Administrator or my Stock Plan information can be delayed by factors such as high telephone volume or systems capacity limitations. I understand I may have alternative ways of reaching the Administrator, such as the Web and telephone representatives, in addition to the automated telephone system.

I agree that the Administrator may modify, change, or discontinue the Services in whole or in part, at any time. I agree that the Administrator may immediately terminate its provision of the Services to me if I breach this Agreement, if I have jeopardized the proper and efficient operation of the Services, or if I engage in activity which is contrary to the Administrator's policies. Any unauthorized use of the Services, whatsoever, shall result in automatic termination of this Agreement. Any modification, change or notification of termination will be made by the Administrator in writing. The Administrator may send such written communication by mail or electronic means.

Any information and any instructions I give you regarding my participation in the Company's Stock Plans will be subject to verification by the Administrator, Trustee and the Company. Administrator also may monitor or tape record conversations with me in order to verify data about such communications, and I consent to such monitoring or recording.

Communications by mail, electronic means, messenger, telegraph, or otherwise, sent to me at the address of record listed on the application, or any other address I may give Administrator, including electronic addresses, are presumed to be delivered to and received by me whether actually received or not. I understand that I should promptly and carefully review all statements and notify Administrator of any errors. Information contained on statements is conclusive unless I object in writing within ten days after transmitted to me.

Administrator shall not be liable for any losses caused directly or indirectly by government restrictions, exchange or market rulings, suspension of trading, war, strikes, or other conditions beyond its control, including, but not limited to, extreme market volatility or trading volumes. I acknowledge that this Agreement constitutes the entire agreement between the Administrator and me with respect to its subject matter. This Agreement is drafted and executed in the English language. This Agreement and its enforcement shall be governed by the laws of the Commonwealth of Massachusetts, United States of America, except with respect to conflict of law; and shall inure to the benefit of Administrator's successors and assigns, whether by merger, consolidation, or otherwise. If a court of competent jurisdiction shall deem any provision unenforceable, that provision will be enforced to the maximum extent permissible, and the remaining provisions will remain in full force and effect.
